

Important Announcement

Sadly in light of the recent escalation in cases of Coronavirus Covid19 in our country, & following the recent advice by our government on social distancing, In the interests of the safety and wellbeing of both our staff & customers and their families too, we have decided to take a break from the hospitality industry as from the 22nd March 2020 until further notice.

We will continue with the Mothers Day services & honour those reservations already made, and will continue to offer takeaway options until the end of service on Sunday when they will cease too, sorry.

We will closely monitor the staff that are currently on duty, and continue to implement our strict cleaning regime, but If you feel you are fit and well and symptom free we will look forward to welcoming you along to our venues until Sunday.

Thank you all for your support of our businesses & we look forward to re-opening the doors to our venues once advised by the government that it is safe to do so.
